### EXCEPTION: PARENT STATEMENT *(for new students only)*

*Please note: If your child is **newly enrolled with Spanish Schoolhouse**, a parent's signature may fulfill this requirement until your child's next doctor appointment. A parent signature is valid only for the first 12 months from the date your child starts our program. After that, Texas State childcare law requires that a health care professional's signature must be on file.*

My child has been examined within the past year by a health care professional and is able to participate in the school program. Within 12 months of admission, I will obtain a health care professional's signed statement and will submit it to the school.
